

## Let's have a pet!

Adapted from "I want a monkey" by Daniel Errico

[PRINT AND READ FROM HERE WHILE YOU PROJECT THE VISUAL SUPPORT]

*{flashcard 1}* **Wally wants a pet.**

*{flashcard 2}* **He told his dad, "Let's have a pet!"**

*{flashcard 3}* **I want a monkey who scratches his head.  
And swing in the house and jump on the bed.  
Oh no, there's no way...  
Monkeys eat bugs every day!**

*{flashcard 4}* **Let's have a hippo! What about that?  
To eat all the trash -- I would be glad.**

*{flashcard 5}* **Oh no, hippos need water to stay cool...  
And in my house, we don't have a pool.**

*{flashcard 6}* **Let's have a giraffe! Wally was very happy.  
I'll slide from his neck, daddy.  
But giraffes are too tall...  
It's dangerous, I may fall.**

*{flashcard 7}* **Let's have a bunny, dad!  
Bunnies are so fluffy, that can't be bad.  
Oh, but bunnies like to eat our stuff.  
Having a bunny can be tough!**

*{flashcard 8}* **Wow, is that really true?  
Picking a pet is not easy to do.**

*{flashcard 9}* **Let's have a goldfish! Let's get one!  
A goldfish can be fun!  
Yes, let's have two -- one goldfish for me, one goldfish for you.**
